

# What is Modern Band?

Modern Band is a music class that centers on student choice and voice by enabling students to learn the music they already love.

## Instruments commonly found in modern band:

## What kinds of things do you learn in modern band?

1. How to play instruments
2. How to play your favorite songs
3. How to read charts and various forms of music notation
4. How to make music with other people
5. Improvisation, comping, and songwriting (Musical Creativity)

## Why should I do modern band?

Modern band is a fun, engaging, student centered way to learn music. In a modern band class, the students connect their love of music outside of school with opportunities to learn and perform that same music with friends

## Where can I learn more?
