

Commercial Jingles

Write your name here:

Choose a product:

Make up a product or choose one that does not have a jingle yet. A good jingle names the product, explains why people need it, and gives listeners a slogan they can remember.

Write two rhyming lines about the problem your product solves:

 A **A**

Write two rhyming lines about how your product solves the problem:

 B **B**

Write two more lines about the product. Make sure you say its name:

 C **C**

Write out your product slogan:

 D **D**
